

## GOLD STAR MOTHER GIVES 500 HOURS TO RED CROSS WORK

CENTERVILLE — Mrs. Mary L. Rose, 69, a gold star mother of the last war is Washington Township's only two-war mother. She has more than 500 hours to her credit at the Red Cross surgical dressings rooms here.

A son, Pfc. THOMAS D. ROSE, 32, is now with the Signal Corps in Africa. Two other sons were in the last war—JOHN P. ROSE, her first born of nine children who died in the influenza epidemic of 1918 and MANUEL E. ROSE, now a carpenter here who was given a medical discharge after a short period of service.

John Rose was with the 21st Infantry at San Diego where he passed away just before he had been scheduled to go overseas.

Mrs. Rose came to Centerville from Fayal, the Azores, in 1886 with her parents and two other children. Her father, Victorine J. Goularte had been a shoemaker since the age of nine and plied his trade here until his death in 1926. Seven of their children survive, in addition to Thomas and Manuel—Marion Freitas of San Rafael, Louise Silva and Helen Rose of Centerville, Joe of Portland, Ruth Cook of Castro Valley. There are five grandchildren. Two other members of the family were casualties in the last war, Frank C. Nunes who died of influenza at San Diego and Alfred Nunes, his brother, who was killed in action in France.

## WOMAN KILLS DEER: HER SON SURVIVES CRASH

Mrs. Helen Cary, who lives on the old Niles Canyon road came home a few days ago with a three-point buck which she killed at Loon Lake in Placer County, where she was snowed in for four days all alone. The animal dressed 135 pounds. She has heretofore gone hunting with her son, S1/c ROBERT J. CARY who is now recovering in a Naval Aviation hospital at Hollywood, Florida. He was recently promoted from Seaman second class to first class. She missed him on her recent successful hunting trip and hopes he will read this thought of him in this newspaper.

Two years ago, Mrs. Cary, who is a widow, killed a 940 pound bull elk in the state of Washington; also a bear.

Her son, a former employee at Pacific States Steel, was the lone survivor of an airplane crash which killed his six companions while on Naval maneuvers out from the east coast. He "rode the ship down" and cracked up with it. He is now undergoing his last operation at a naval hospital on the mainland and may be well enough to come home for a visit next February, she says.

## NILES SOLDIER RETURNS TO CIVILIAN LIFE

Pfc. ERNEST M. CUNHA of Niles, who has served in the stock department with the Army Air Force pool at Camp Kearns, Utah was discharged recently because of a foot injury and is now back home in the Niles rural district.

He is returning to his former work with the salt company at Newark. He celebrated his return to civilian life by bagging two bucks in Tuolumne County above Sonora, accompanied by Ed Perry, Tom Santos and Roy Canright. If he had remained in Utah he says he would have gone out after some of the big mule tail deer, also elk, which roam the forests there.

## ALVARADO PREPARES ROLL OF SERVICE MEN

ALVARADO — Official listing of the 62 men from Alvarado who have entered the armed forces was made by the Chamber of Commerce at last weeks meeting at the grammar school. A roll of honor is being prepared and will be placed in the post office.

Last of Alvarado's men to leave is H. A. Jacinto who went to Virginia last week to join the Seabees.

## Pvt. CLYDE MILLER of the U. S. Army is home in the Mission spending a week's furlough from camp in the southeast. His folks moved to Niles this weekend as they have purchased their own home there in Canyon Heights.

## BARKER IN BRAZIL

Pvt. DAVID BARKER, son of Mrs. Martha Barker of Niles writes that he has arrived safely in BRAZIL, where he is on duty with the chemical warfare service in a fine camp. He says he is very happy in his work which is "right up his alley" and that he gets lots of fresh tropical fruit. He wishes to be remembered to all his friends hereabouts.

## NILES SEAMAN SUFFERS TWO FRACTURED KNEES

Dangers in the war zones are nothing compared to the hazards of traffic on the home front. So says LARRY MECK, 21, merchant seaman who escaped uninjured from an attack by Japanese Zeroes at Guadalcanal, but is spending three months in plaster casts as a result of a San Francisco traffic accident.

Meck had returned home after leaving this country in June, 1942. Stepping from a curb at Market and Sixth Street he was struck down by a motorist alleged to have gone through a stop signal. Both knees were fractured.

Meck is recuperating at the home of his parents, Mr. and Mrs. George Meck of Duarte Avenue, Niles.

Serving on the deck of merchant vessels at Pago Pago, Pearl Harbor and South Seas stations he was under fire at Guadalcanal and suffered no injury though many of his shipmates were wounded by shrapnel. He graduated from the Washington Union High School in 1940.

## IRVINGTON MAN IS JAP PRISONER

IRVINGTON — Mrs. Lillie Robinson of Irvington has learned that her brother LESLIE D. ROBINSON, 56, is a civilian prisoner in the Bacolod Internment Camp in the Philippines. He was manager of a sugar mill in the Islands for 22 years.

His wife and son, Leslie Gordon, 20, are in Honolulu where Mrs. Robinson is employed in the post-office and the son is working for the Government. The daughter, Mildred, 19, is a student at the University of Washington.

The news of Robinson's internment by the Japanese was received by his wife from the Department of the Interior Office of the U. S. High Commission to the Philippine Islands. This was the first word from him since January, 1942.

## DECOTO RESIDENT, WAR I VETERAN, CLAIMED BY DEATH

Funeral services were held October 19 for Anselmo Manuel Perez of Decoto who died at San Leandro hospital. He was 51 years of age and a veteran of World War I, and claimed Puerto Rico as his native land.

Following requiem mass at Corpus Christi Church, burial rites took place at Holy Sepulchre Cemetery.

**ABOARD DESTROYER**  
Ensign JAMES GRAHAM, son of Clarence Graham, Newark, is now attached to a destroyer escort. He writes that his is a new boat and differs from a destroyer as having a round bottom and with high super-structure. Consequently, Jimmie has at last learned to ride something that bucks. He states he likes his work very much, but it is very lonesome as he seldom has any shore leave.

## PROMOTED TO MAJOR Dr. LEONARD B. BARNARD, Oakland bone specialist and son of Mrs. Mary Barnard of Niles has been promoted to major in the Army Medical Corps. He is stationed at a base hospital in Virginia.

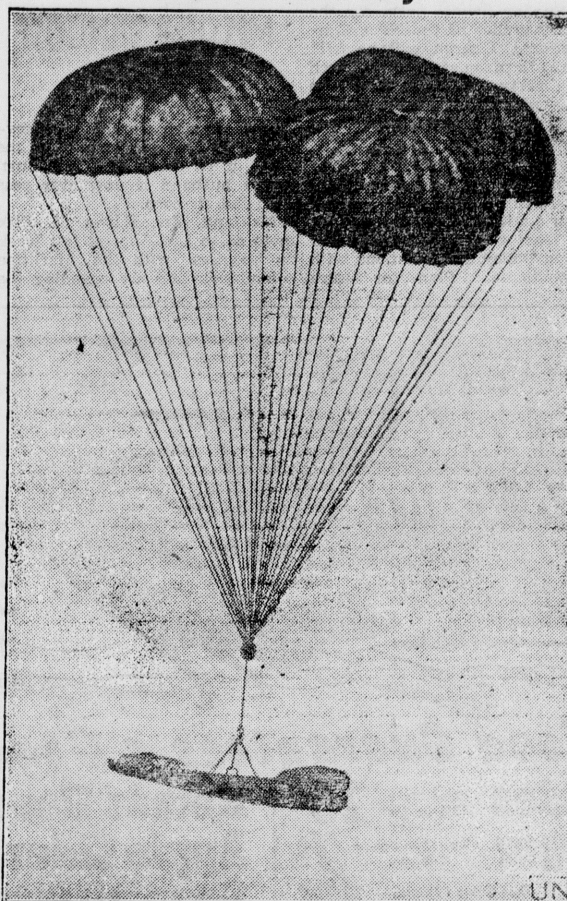

Mr. and Mrs. J. C. Shinn returned late last week from Norfolk, Virginia where they spent several weeks visiting their son, Lieut. Commander ALLEN SHINN, who has been promoted to full Commander. They enjoyed the trip greatly.

Pfc. HAROLD KLEINSASSER of Niles, who has been with a station hospital in the Aleutians for nearly a year has been promoted to corporal.

C. R. JELLEFF, grandson of Phillip Moora of Niles, is studying with a Navy V-12 group at the School of Mines in Butte, Montana. He graduated from Washington High last spring and is now at home in Niles on a furlough.

Mr. and Mrs. Manuel Semas and son Lester of the Mission spent Sunday in Monterey at the home

## Boat from Sky

LATEST RESCUE TECHNIQUE, invented by Britain's R.A.F., is to drop lifeboats from rescue planes. The boats float down by parachutes to American, British or other Allied airmen who have crashed at sea. When they clamber aboard, the men find food, supplies, and an engine which enables them to reach a home port. Many airmen already owe their lives to this ingenious craft.

## Earthquake!

The severest earthquake to be felt in Washington Township in many years occurred here Monday night at 9:51 o'clock, shaking houses and rattling dishes. No damage was reported.

The 10 o'clock newscasters reported 10 minutes later that the shock of "moderate intensity" was felt in San Francisco. Morning broadcasters said the shock was severe down the San Francisco peninsula, seeming to center in San Jose where broken windows were reported.

The shock came like the concussion of an exploding shell, pressing against one's body while shaking buildings. The quake had two series of shocks, both coming in the same direction.

Some people at Irvington heard the subterranean rumble which usually accompanies earthquakes of any intensity.

## CENTERVILLE ISSUES 1941 RATION BOOK IVs

Thomas P. Maloney, Centerville school-site administrator, for the issuance of War Ration Book IV, wishes to publicly thank the registrars who so generously gave their time to make the registration successful. One thousand eight hundred and forty-one Book IV's were issued at the Centerville Elementary School.

## SURGICAL DRESSING HOURS ARE CHANGED

CENTERVILLE — New hours at the Red Cross surgical dressings rooms at the Centerville Grammar School have been announced by Mrs. Fritz Waltenberger, general chairman. More workers are needed and all women of the community are asked to help.

The rooms are open Monday, Tuesday and Friday from 11 a. m. to 4 p. m., on Wednesday and Thursday, 10 a. m. to 3 p. m.; Monday and Wednesday nights, 7:30 to 10 p. m.

of their daughter, Mrs. Charles Thatcher and her husband, Sgt. CHARLES THATCHER of Fort Ord, Calif.

Pvt. WILLIAM FERNANDES of Fort Ord spent the weekend at the home of his family, Mrs. Elinda Fernandes and young daughter, Sharon in the Mission.

Mrs. Mary Santos and family of the Mission-Livermore Highway were very surprised the other morning to see a sailor walking toward their house quite early. It turned out to be her son TONY who is in the U. S. Navy in Louisiana and who had come home on furlough for several days.

## NEED OF VICTORY GARDENS STRESSED AT FARM CENTER

CENTERVILLE — Twenty-five million Victory gardens (three million more than in 1943) are wanted by the War Food Administration for 1944, Arthur Shultis of the University of California Extension Department told the Eden-Washington Farm Center last week.

Even though home gardens did not reduce prices to the extent that had been anticipated they prevented shortages and were justified by the nutritional advantages alone. More people ate vegetables this year than ever in the country's history, he said.

So much food is needed for industrial workers, the armed forces and lend-lease that it does not matter much what the farmer plants as long as he grows as much as he can of what he can grow best. Shultis warned, however, that commercial growers must plant to contract to avoid having an oversupply of some one product. He predicted more meat for butchers through liquidation of breeding stock due to feed shortages and reduced production of milk and eggs from lack of high-protein feeds. The farm machinery picture is brighter with 80 percent of the 1940 farm steel now allocated to manufacturers for agricultural needs.

Franklin Brown of Newark was elected president and Richard Kennedy of Hayward, secretary. They will be installed in November.

## Sad News...

Next week's issue of this newspaper will be a rather sketchy affair. I will have no linotype operator next week, so will probably have to republish the inside pages with but few changes from this week.

Mrs. Cadere will set new type this Saturday for next week's front page, before leaving for a week's vacation trip in Southern California.

Therefore any events which occur after next Saturday afternoon cannot be reported in The T. R. until the issue of November 11.

## LADIES NIGHT TONIGHT

A Halloween jinx, box social and ladies night is being held this (Thursday) evening at 6:45 o'clock by the members of the Men's Fellowship club in the Guildrooms of the Niles Congregational Church with Fred H. Duffie presiding. Members are bringing their ladies; the ladies are bringing their eats and co-chairmen E. E. Dias and Ted Glassbrook are bringing the entertainment.

## TIN CANS TO BE SALVAGED THROUGH THIS TOWNSHIP

Last year, when scrap metal drives were first inaugurated, an effort was made to collect tin cans for salvage. Through lack of transportation this activity fell through.

Comes now the War Production Board, clamoring for the saving of empty tin cans in the country districts, these cans to be reclaimed for their tin content, to be used for war purposes, and for the small amount of steel in can to be shredded for use in copper mills.

J. V. Gould, superintendent of Washington High has been named Township Chairman of tin can salvage, and he has appointed the following town chairmen: Fred Rogers, Centerville; E. D. Bristow, Niles; E. B. Hodges, Mission San Jose; Miss Elsie Madruga, Alviso District; Lester Maffey, Warm Springs; J. C. Wasley, Alvarado; Burney Joseph, Decoto; Joe Paschote, Newark (that poor man seems to get all the "let George do it" jobs!) and Joe Silveria, Irvington.

The procedure is this: each chairman is to secure the use of a site in his town where the public can bring their cans as they accumulate. Donors are instructed to wash their cans clean, take off the labels, cut off top and bottom; step on the can and crush flat and slip the top and bottom into the flattened can.

When a community or several communities have a sufficient accumulation, say two tons, they are asked to notify Mr. George Mullin, general sales manager of the Golden State Brewing company, phone TEmplebar 7400, Oakland and he will send a truck down to pick up the cans. No one gets any money out of it, any more than blood donors are paid for their precious life fluid.

This tin can salvage is a continuing and permanent activity until the war is won, as the government has increasing need for the metals contained in used tin cans. Every housewife should therefore be sure to save her empty cans from now on.

At Niles Chamber of Commerce last Monday expressed its willingness to assist in putting this project over locally, and only awaited instructions from Mr. Bristow how to proceed. Posters and stickers are on the way in order to publicize this newest patriotic activity.

## WELFARE CLUB SUSPENDS MEETINGS

CENTERVILLE — The Child Welfare Club of Washington Township has cancelled regular meetings for the duration and will meet at the call of the president, Mrs. L. E. Bailey.

The fact that members are devoting most of their time to the Red Cross blood procurement center sponsored by the Welfare Club, to the surgical dressings room and other war-time activities was the reason given for this action in a mailed vote tabulated at a meeting at the home of Mrs. Allan Walton this week.

The next gathering will be at the home of Mrs. E. A. Ellsworth on December 6 at which time Christmas gifts will be wrapped for 84 children in foster homes or half-orphaned families in Southern Alameda County.

A new project adopted by the group is that of collecting magazines not suitable to be sent to the Army camps and to be given to shut-ins and older people.

## FUNERAL RITES HELD FOR AGED NILES MAN

Domingo S. Machado, 72, of Riverside Avenue was given final rites Saturday morning at the Berge Mortuary Company parlors with mass at the Corpus Christi Church at 9:30 a. m., and interment at the Holy Sepulchre Cemetery.

A native of the Azores, he had lived in this area for 55 years and is survived by his widow, Isabel, and a brother, Joseph. He was a member of the I. D. E. S. The rosary will be recited at the funeral parlor tonight at 8 o'clock.

## WAR CHEST DRIVE TO BEGIN

Active solicitation in the War Chest Campaign begins next Monday, November 1, throughout Washington Township. Chairman Ed Enos at Niles announces. Solicitors cards have been distributed to town chairmen throughout the Township, ready for solicitors to use.

Persons who wish to make voluntary subscriptions without being solicited may see Mr. Enos at the Niles Postoffice or E. D. Meeker; Jack Rees at Centerville; Reverend Jackson Webster at Newark; Bob Wright at Irvington; J. E. Lewis, Alvarado; George Smith, Decoto; Mrs. Lois Justus at the Mission San Jose Postoffice and John Smith at Warm Springs.

Business firms who wish to make subscriptions may contact A. J. Petsche, chairman of the industrial gifts committee.

The Township's quota is \$17,000, which includes \$2,000 for the support of Boy Scout activities throughout the Township for the coming year. The War Chest also includes the U. S. O. which provides recreation and comforts for fighting men all over the world. You may remember that two drives were put on for the U. S. O. alone last year.

In addition, the War Chest this year includes aid for Prisoners of War, for more than a dozen foreign relief organizations, for seamen of the Merchant Marine, and combines in itself a grouped charitable solicitation which will include all drives to come, except the American Red Cross and the annual March of Dimes for infantile paralysis prevention and cure.

Give all you can to the support of this very great undertaking.

## NILES GAS BOARD CHECKS UP ON LOCAL DEALERS

Thirteen Township service stations men appeared before the Niles Ration Board Monday night and were warned not to accept unendorsed gasoline coupons, following complaints filed by OPA inspectors. The dealers were read OPA instructions governing their operations, and were warned that further violations would result in their losing their licenses and the privilege of conducting business.

Two motorists penalized at last week's meeting of the board were Roy Canright of Irvington, whose reissued book was suspended for 10 days and four stamps removed after he reported losing a C book. Frank Mayer of Niles had his book suspended for 30 days after being fined for speeding 58 miles an hour. Mayer admitted he was speeding and was willing to be penalized, saying he had not realized he was traveling that fast.

## PEASANT TAGS REQUIRED THIS YEAR

SAN FRANCISCO — In accordance with the new law, peasant hunters will be required to have tags this year, in addition to a regular hunting. These tags come in strips of 10 for \$1 and are on sale at all sporting goods stores, and the offices of the Division of Fish and Game.

Hunters contemplating going pheasant shooting should get their tags immediately, to avoid the possibility of being unable to purchase them just prior to the opening of the season, November 28. One of the 10 strips, which comprise the tag, must be attached to the neck of each bird killed, the hunter punching out the date of kill.

Members of the armed forces are not exempt from the requirements of purchasing a hunting license and pheasant tag.

### THE WAR CHEST DRIVE BEGINS

Recruitment of enough volunteer campaign workers to make a personal call on every prospective contributor is a pre-requisite of every successful fund-raising endeavor.

Our community, in accepting its fair share of the nation-wide goal for the war relief and welfare drive organized by the National War Fund and functioning in our state through the California War Chest, has assumed a responsibility of no mean proportions. If we are to make a success of this drive—and it will be a matter of civic pride in our community as well as a duty to our own fighting men and to our brave allies to attain success—every one of us must consider it his personal responsibility to do all he can toward the achievement of the goal.

Citizens who volunteer to help in this canvass will have the satisfaction of knowing their work is a contribution to the winning of the war. For the funds which are solicited will strengthen three fronts: First, our own fighting front, through the services of USO, the United Seamen's Service, and the War Prisoners Aid; secondly, the United Nations front, through 14 allied relief agencies, serving our fighting allies and the peoples of enslaved nations; and thirdly, the home front, through community welfare agencies which guard America against delinquency, crime, divorce, illegitimacy, and other social ills bred by war.

This is vital war work. It is to be hoped that the public-spirited citizens of our community will unhesitatingly offer their time and service. Ed Enos at Niles is Township chairman.

**OUT-MODED**  
Hitler is slipping. He tells the Germans he is fortifying the Po River line across Northern Italy so that it will be impregnable to ground troops. There he will hold the enemy for years until the war comes to a stalemate.

Hitler is just whistling in the dark.  
One can hear our bully boys "upstairs" chortling as they release their two and four ton blockbusters. Or has Der Fearer found something else beside steel and concrete with which to build "impregnable" fortifications?

Once upon a time there was a Maginot line; remember? The French spent from 15 to 20 years building it, and a couple of billion dollars. It lasted three weeks. And those were during the pre-block-

buster days. Hitler only has months, or possibly weeks, in which to make his Po River line "impregnable."

With aviation and air-borne troops there are now no "impregnable" ground defenses.

**COMING TO BAT**  
A Senate committee on foreign relations has called on Herbert Hoover to give it the benefit of his World War I Belgian relief experience. Calling on Hoover's proven ability is something that the President has never done—for political reasons? or just professional jealousy? Whatever the reason, the oversight will not look well in history.

Destiny no doubt has reserved a very special part for America's only living ex-president to play when his hour comes. For men are all just instruments of destiny regardless of their position.

— W W —  
**RETURN TO SIMPLICITY**  
"At home all we need to do is to put an end to the MISERABLE POLITICS that keeps public opinion wobbling one way and the other. We should unite behind a sound program—and stick to it!" says 84 year old F. A. Sieberling, founder and president of a big rubber company.

As men age and near their time of leave-taking from this earthly life they see more clearly and calmly than we young squirts of 50 or so.

How about uniting on a "sound program" such as the first principles and fundamentals clearly laid down by the Founding Fathers? Their noble experiment—a free Republic—worked where the latter-day experiments in socialistic government don't seem to work.

The doctrines established and expounded by Washington, Jefferson, Adams, Lincoln are still available to guide the minds and works of those now in power—if they care to consult them.

— W W —  
**SHOULDN'T BE NECESSARY TO URGE PEOPLE TO DONATE BLOOD**

The Blood Procurement Center reported 125 pints of blood donated at the last clinic here, setting a new record. That is gratifying to the women who work tirelessly in their task of procuring not less than 100 pints every two weeks.

Two hundred pints per month is little enough from this area, said to number almost 30,000 people. Certainly there should be enough healthy people in Hayward capable of donating a pint of blood occasionally.

To us it may mean a little effort, a little sacrifice of time, but to some wounded soldier it means the difference between life and death and if we were given the choice of donating a pint of blood or death, everyone would choose to give the blood and not hesitate a moment.

People of this area should really fight for the privilege of saving some soldier's life.

Believe it or not: Newark in Alameda County has a zone number. It is O zone, being right near the waterfront.

## NOTICE!

### TO SUBSCRIBERS

Effective at once, subscriptions which are more than 60 days in arrears will be cancelled, after first sending due notice to the subscriber concerned, and giving him or her time to pay up.

The reason being that many good subscribers, either through carelessness or oversight, let their payments drag along half or even three-quarters of a year before they pay it, with the result that their subscription is nearly always in arrears. I can't do business that way, and, providing you wish to receive The Township Register regularly, it costs no more to pay for it at the beginning of the year than at the end of the year. Meantime, I have the use of your money during the year.

Another reason is that some few people deliberately let their subscriptions get a full year behind, and when I finally discontinue it, calmly say that they intended to order the paper stopped but "did not get around to it."

Meantime they get a year's subscription free, which is not fair to me, nor to the many hundreds of good subscribers who pay for their papers promptly and in full when the first subscription bill is sent.

Every subscriber is sent a bill promptly on the first of the month when it expires, so no one can say "I did not know when my subscription expired." In addition: the expiration date of every subscriber is stamped every week after his name on the upper right hand corner of the front page. If the numerals 5-44 appear it means you are paid up to May 1, 1944. If 9-43, then your renewal became due on September 1 of this year, and is now in arrears.

Your subscription is greatly valued, but it is useless to me unless it is paid for. Forty-seven subscriptions are past due as I write this, of which 17 are more than six months in arrears. As 15 new paid subscriptions come in unsolicited every month, thus increasing my income but also increasing my work, it is not necessary for me to carry subscriptions the payment of which is doubtful.

"Better four pages of live home news per week than no paper at all" during these difficult wartime days when help is all but unobtainable. In fact: if it was not for the very great kindness of Mrs. A. J. Cadero of Alvarado coming out of retirement to help me out, you would have no paper at all. Even if I were a linotype operator one man cannot do the work heretofore done by three men, even working nights and Sundays (which I often do.)

Thank you for your cooperation. Gratefully yours,

Walter Waynflete

"The American people today are spending more money in this war than are Great Britain, Russia, Germany and Japan. We are carrying now nearly the whole financial load of the war—" Representative John Taber of New York

stated in the Congressional battle for the administration to trim its sails and not tax the people so heavily. ("The power to tax is still the power to destroy.")

But we Americans are that way: when we start to do something, like building skyscrapers, developing fast trains or inventing mechanical gadgets: the sky's the limit.

Do we wage war? Let's do it on the grand scale. Shall we pile up debts? Then let's pile up a BIG debt. (And how!) That's the American way. But we always succeed with our undertakings. We have what it takes: money, genius, courage and "Gott mit uns!"

### TREASURY APPOINTMENTS MRS. WILLIAMSON WOMEN'S CHAIRMAN OF WAR FINANCE

Newark, Calif.  
Oct. 21st, 1943

Mrs. Gladys Williamson, Chairman War Finance Committee Niles, California

Dear Mrs. Williamson:

On behalf of the Secretary of the Treasurer, I hereby officially confirm your appointment as Chairman of Women's Activities of the Washington Township War Finance Committee. You are aware, of course, of the magnitude and importance of the task before us. It will mean that all of us must give unstintingly of our time and energy to this great cause. I am sure that under your leadership the women of Washington Township will establish a record of which you may feel justly proud.

I have instructed the chairman of the Women's division of the War Finance Committee of Northern California to send all bulletins and instructions relative to your work direct to you. However, I am always willing to help you in any problem you might have in connection with war finance work.

Cordially yours,  
L. R. BURDICK, Chairman Washington Township War Finance Committee

## GIVE US THIS DAY . . .

You will help  
won't you?

Never has there been more suffering in this world. Never have so many war-broken people looked to America...to YOU...for help. In past years you may have given to several or many war relief agencies. This year you give ONCE for ALL these agencies when you give to your local War Chest and through it to the National War Fund. Your dollars go to seventeen participating war relief services now combined with your own local agencies in this nationwide drive.

Some of your dollars will go to the USO to comfort and entertain men of the armed forces.

Some of it will go to lend a helping hand to our sailors of the Merchant Marine.

Some of it will help ease the suffering and hunger of our stricken allies and help support hospitals and children's homes...both here and abroad.

Some of it will go to local welfare agencies and help care for those in need in your own community.

Some of it will bring cheerful remembrance to our lonesome war prisoners in Japan and Germany.

Make your gift this year large...large enough to go around. At least give double what you gave last year. The need is many times greater.

## Township Boasts 1st. 'Gallon Club' Donor of Blood

Patriotic citizens donated 98 pints of their precious blood during the mobile unit's visit to the Memorial Building in Niles on October 13, Mrs. W. L. McWhirter, Township chairman reports.

One donor, Adele B. Moreno, who lives in Palo Alto but works in a Newark manufacturing plant, became the first Township member of the "Gallon Club" when she donated her 8th pint of the life-giving fluid that day.

Mrs. McWhirter urges prospective donors to remember no person can report later than 1:40 in the afternoon on blood donor days in order to give blood. Appointments are set on those days beginning at 9:20 a. m. and ending at 1:40 p. m. Be prompt, Mrs. McWhirter urges, as anyone reporting after 1:40 p. m., even if they have been notified by postcard of an appointment, cannot be "processed".

Volunteers may report at the hall without an appointment, she says, but applications made in advance through your town chairman are much preferred in order to keep the schedule clicking on blood donor days.

The Township's semi-monthly quota is 90 pints, but, as a rule the donations exceed this quota.

The following patriotic Township residents give their fifth pint on October 13:

Robert P. Hunt, Newark; Manuel Vargas, Niles; Emma Faria, Niles; Wm. H. Rogers, Niles; S. G. Scott, Newark.

FOURTH PINT: Albino L. ### CENTERVILLE 4-H CLUB ELECTS NEW STAFF

CENTERVILLE—Winifred Rogers has been elected president of the Centerville 4-H Club. Summer activities members said at their first Fall meeting included working in the fields and buying \$875 in war stamps and bonds.

Other officers are Rita Alonzo, vice president; Diane Ferraris, secretary-treasurer; Elsie Silveria, song leader and Beth King, reporter. Committee chairmen are Elaine Bettencourt, hospitality; Eunice Severson, health; Barbara DeBorba, membership and Eleanor Nunes, recreation.

### THREE SISTERS ENJOY FIRST REUNION IN YEARS

Mary and Martha came all the way from New York State to pay a surprise visit to their sister, Ellen Farrington of Niles Glen. Mary Booth is 82 and Martha McFetridge, 75, is a twin of Ellen's.

Traveling was to be postponed till after the war, "but", said Martha, "we might not live that long. So here we are." This is the first reunion for a quarter of a century and the visitors, of East Aurora, N. Y., will remain for the winter.

Up until three years ago, the family of four brothers and four sisters were celebrating an aggregate age of around 600 years. Charles died in 1940 at the age of 82. The youngest, Benjamin Hill, is 72; Walter, 80; James, 86 and another sister, Rose Matters, 77, resides in Lancaster, N. Y. They were all born in England, children of Mr. and Mrs. James Hill, who came from Devonshire to South Wales, N. Y., in 1865. The mother lived to the age of 98.

Ellen, the hostess twin, will celebrate her 54th wedding anniversary on October 30, at the home in Niles Glen, where she and her husband, Ezra J. Farrington, have resided for the past 20 years.

Another guest at the celebration will be Willis Hill, 34, chief petty officer with the Sea Bees, who says he "blew in from Attu" and is regaling his horrified but attentive aunts with tales of Jap atrocities and his six months of building bridges for Uncle Sam. He was on Corregidor prior to Pearl Harbor, but transferred to the Navy shortly before war was declared. He is the son of the late Charles Hill. Fourteen other grandsons and nephews are in the service.

### SERVICES HELD FOR THOMAS F. BYRNE

IRVINGTON — Thomas F. Byrne of Irvington died at Fort Jones, California on October 20, 1943 and services were held on Monday, October 25 at 8:30 a. m. at the Berge Mortuary here, with mass said at St. Joseph's Church in Mission San Jose and interment made in the Holy Sepulchre Cemetery at Hayward. Rosary was recited Sunday evening at 8:30 in the mortuary here.

He was the husband of the late Ella Cull Byrne, brother of Joseph of Fort Jones and the late James Byrne, Margaret Mendoza and Mamie Sanor. He was a native of Mission San Jose, aged 78 years.

### REVENUE OFFICER ADDRESSES CLUB

CENTERVILLE — George Perry of San Leandro, representative of the Office of the Collector of Internal Revenue was the speaker at a meeting of the Centerville Lions Club at the Black and White restaurant Tuesday night, October 26.

Perry discussed the tax program and answered questions asked by members. Arthur Belshaw was chairman for the evening.

### SCOUTER IS GIVEN 5-YEAR SERVICE PIN

A five-year service pin to John Cattaneo, committeeman, was among the awards presented at the court of honor for Washington Township Boy Scouts held at the Niles Grammar School last week.

David Leask of Niles was invested as a tenderfoot Scout, and Richard Rego was advanced to second class. First class badges were given to Don Riddle and Dale Riddle. Richard Brunelli and Gordon Kibby were given star badges.

Merit badges went to Leon Vieux, Ronald Cozzi, Kibby, Earl Silva and Brunelli. Participating in the evening's program were George Coit, chairman; Ray Benbow, secretary; Fred Duffie, Niles Scoutmaster; Ben Lamkin, field representative of the Oakland Area Council; and committeemen.

### SUPPORT FOR WAR CHEST IS URGED

Support of the war chest by P. T. A. organizations was asked by C. B. Lamkin, executive of the Boy Scouts at last week's meeting of the Phoebe Hearst Council at the Niles Grammar School.

Other speakers were Mrs. B. D. Ralston, State rural extension chairman, of Redwood City who made a plea for tolerance and absorbing interest in child welfare and E. D. Bristow, local principal who spoke of the obligation of citizens toward youth.

Mrs. Elizabeth Patterson of Valle Vista was made recording secretary and Mrs. Grace Dunn of Castro Valley, magazine chairman. In connection with the war chest campaign M. D. Milton of Hayward spoke of the Greek relief program.

### ROSARIANS TO BREAKFAST

MISSION SAN JOSE — The Rosarians of St. Joseph's Church will have their annual reunion and breakfast following a 9 a. m. mass next Sunday. The breakfast will be served at the Rosarian Hall at 10 a. m. with Mary Borge and Josephine Fernandez in charge.
